Call for Special Session IEEE ICECS 2024

The technical program of IEEE ICECS 2024 will include special sessions to complement the regular technical program with emerging topics of particular interest to the attendees. The special sessions papers are regular 4-page submissions including references, and if accepted they will be published in the conference proceedings and in IEEE Xplore.

Special sessions proposals should be submitted by **27 May 2024**, and must include:

- Session title
- Organizers' name and affiliation
- Motivations and outline (approx. 500 words) of the proposed session
- List of invited papers including the author affiliation, paper title, and abstract (approx. 100 words)

Please submit Special Session proposal by emails to the Special Session co-chairs.
